

### **Representative Danny Davis Visits Burwood Group in Chicago, Illinois on February 21, 2013**

During the visit, Representative Davis provided an overview of his roll leading one of the most diverse districts in the US, along with comments on the general concerns that our nation is facing related to the Sequester.

Congressman Davis is a strong supporter of ESOP's and has been for many years. Employee owners at Burwood Group were honored to share their passion for ESOP's with him and are encouraged to have a strong supporter of their cause on the Ways and Means Committee.
